OCCUPATION

NEWS AND SPORTS CAMERA MAN FOR KBTZ-TV

DESCRIPTION

Ace cameraman for the KBTZ-TV "I Witness" news team, Shlomo is so fast he once got to a Sandiego heist before the police arrived— in fact, before the gang members arrived. Unfortunately, he forgot to put videotape in his camcorder, a lapse for which Carmen was eternally grateful. To show her gratitude, Carmen made him honorary V.I.L.E. historian. The black-haired shutterbug from Kentucky used to photograph the young Cassius Clay , who once knocked Shlomo silly when he came in a bit too close for a close-up.
